		Revision No.:	8
		Revision Date:	January 2010
		Approval:	Kevin Laforet President, Windsor Casino Limited

Windsor Casino Limited endeavours to take every precaution reasonable to protect and promote health and safety in our workplace.

Windsor Casino Limited is committed to developing a health and safety program incorporating the following principles:

- We shall do everything reasonably possible to prevent personal injury and provide as well as maintain a safe working environment. To achieve this, health and safety will be integrated into all organizational activities.
- We shall comply with all applicable Health and Safety legislation.
- We shall strive to eliminate any foreseeable hazards, which may result in personal injuries/illness.
- We shall provide ongoing education, training and communications to all personnel with the goal of eliminating workplace related hazards.
- We shall strive to obtain the cooperation of all employees in carrying out this policy through management's commitment to achieve these objectives.
- Directors, Managers and Supervisors shall ensure that safe and healthy work conditions are maintained and safe work practices are followed and enforced.
- Employees shall perform their assigned job tasks in a safe manner and in accordance with legislative requirements and Windsor Casino Limited's Health and Safety Program.
- Employees shall report all hazardous conditions and unsafe work practices, and immediately report all accidents and workplace incidents to their Supervisors.
- Contractors or sub-contractors and their employees shall meet or exceed our Health and Safety standards.

**A safe workplace is every employee's responsibility.
Individual participation and support is vitally important to maintaining and
improving health and safety at Caesars Windsor.**
